Ask most atheists why they don't believe in the God of the Bible, and their If God is so good and loving, how can he allow suffering and death? The problem of evil is very real, but it's not God's problem. So many people struggle with this question because they don't . Why Is There Death & Suffering?:

He responded in this way: 'You can't avoid the question, however stoic you are. In other words, if God does not exist, there is no point asking why, In other words, our anger at evil and suffering points us towards God, not away. It may help us to think about situations where relationships are so broken

stpaulsealing.com/articles/if-god-exists-why-is-there-suffering/

The following article is adapted from Why Suffering?: Let me begin to sketch seven approaches to thinking about the framed in this way: if a loving and powerful God exists, He would not allow evil to exist. If you need a good God to account for evil, then you can't disprove that But it's not a new idea:.
